Atlantic Dowzers Society

Welcome to your sixth

Atlantic Dowzers gathering

September 22-24, 2017

Dates: Friday, Sept 22 (including supper at 5.30 pm) through lunch on Sunday, Sept 24.

Location: Tatamagouche Centre, NS

About ADS: ADS was founded in 2010, serving the Atlantic Provinces, and is governed by a volunteer steering committee. ADS has been holding annual Gatherings, starting in 2012, in Tatamagouche, NS, where dowzers meet and learn from each other. Visit us at www.atlanticdowzersociety.org.

The Honourary Chairman and founding member of ADS was Charles Hubbard, biodynamic farmer, until his passing in November, 2015.

Our Primary Purpose: Our primary purpose is to help educate and support dowzers in their use of dowsing in their "world". We neither endorse nor oppose any causes.

Guest Speakers/Presenters

Russell Finley: Respected Nova Scotia Hydrogeologist, Mr. J. Russell Finley, P.Geo, has over thirty years of experience. He is currently with EFI Global and has his own company, HERAA Consulting Inc. Mr. Finley will educate us about the science of water in Nova Scotia, touching on topics such as geology, the water cycle, ground water, water quality/quantity, water tables/aquifers, and effects of climate change.

Susan Collins is an internationally acclaimed dowsing teacher, Keynote Speaker and workshop leader who has been dowsing water wells since 2005. She uses traditional dowsing tools as well as the power of heart and thought to detect and transform non-beneficial Earth, Environmental, Psychic and Other energy patterns.

She has presented in person at many international and regional conferences across North America, the UK, in Italy, Japan and in the Middle East. Susan has a dynamic, global consulting practice and is the author of a successful series of books including "*Water Wells – What a Dowser Needs to Know.*" She is a Past President of the Canadian Society of Dowzers (2003- 2006) and was named Dowser of the Year in 2006.
