Get to Know Orbs, Ghosts and Aliens with Dowsing

Wed April 25 7 pm

What are those things that go bump in the night? Are they Ghosts? Aliens from some far-off planet? Maybe Angels sent to help us? Or demons who want to hurt us? And what about Orbs? Let's not panic with the thought that all these Beings are real and showing up in our time! We need to be able to tell the difference between different types of Beings, and dowsing is an easy way to do it.

Step into your power and create psychic protection so you can help yourself, your community and the planet. Tonight, Susan will teach you to dowse safely and offer tips from her years of safely interacting with Other-dimensional Beings.

*Essential handouts will be provided.
Pendulums will be available to buy or borrow for the evening.*

Get Healthy with Dowsing

Sat April 28 9:30-4:30

We are meant to be healthy, wealthy and wise! But sometimes things don't always fall into place the way we'd like them to. It's easy to learn to "dowse" with a pendulum, and dowsing can REALLY help you improve your relationships; plan for the future; get along better at work; make your home and family healthy; figure out which foods are good for you; balance your chakras; break bad habits and develop your intuition.

Whether you're a novice or an experienced energy practitioner, Susan can help you get healthy with dowsing. Join us!

Essential handouts will be provided. Tools will be available to buy or borrow.
