Workshops (offered directly through Susan)

Workshop: **Develop Your Intuition With Dowsing - Level 1**

Discover which foods support your health; Balance your body's energy systems; Find power spots in your home. (Presented twice a year since 2003.)

Workshop: **Bridge Matter and Spirit With Dowsing – Level 2**

Reprogram the human computer; Detect and transform detrimental earth, environmental and thought form energies; Find beneficial energies; Use remote sensing. (Presented twice a year since 2003.)

Workshop: **Dowsing Triage – Finding and Fixing Energy Problems – Level 3**

Learn to work with clients, both in person and remotely, to detect, assess and transform subtle energies in their homes and environments. (Presented since 2009)

Workshop: **How to Dowse a Water Well**

Work with a home-owner and driller to find sites to drill. Practice on-site and remote dowsing techniques to find location, depth, volume and do stream diversion. Discuss regulations, drilling techniques, well remediation and business practices. (Presented annually since 2008.)

Lecture: **Meeting Orbs**

What are orbs? Are there different kinds? Why are they showing up now in photographs? How can I take a photograph of an orb? Bring your digital camera and an open mind. (Presented since 2006.)

Lecture: **Discover Dowsing Intuition**

Learn to access the dowsing system and find YES and NO with a pendulum. (Presented since 2003.)

Lecture: **Turning Knowledge Into Power: manifest your dreams with dowsing**

A wide ranging lecture that looks at the art and science of dowsing. (Presented since 2006.)

Lecture: **Dowse Kabbalah Energy**

An introduction to using dowsing to access the traditional wisdom of the Kabbalah. (Presented since 2004.)
