Expand Your Psychic Ability with Dowsing

Saturday Nov 2 9:30 am – 4:30 pm

Find out how Earth, Environmental and Psychic energies can affect your relationships, health and finances and learn how to bring all aspects of your life into balance using dowsing.

Dowsing is applied consciousness. At an advanced level, what we intend we can manifest. Learn how to create psychic protection and build bridges between the every-day world and the world of infinite possibilities. Discover how to remove energy blocks and create ongoing successful outcomes using simple tools and the power of heart and thought.

Whether you are a beginner or already know the fundamentals of moving “between worlds”, Susan’s easy-to-use techniques and protocols can help you remove geopathic and geopsychic energy blocks from your body, spirit and home to create lasting results.

Prepare yourself for the extraordinary times ahead! Develop the ability to create health, prosperity and happiness in your life.

Prerequisite: curiosity and an open mind! Bring your lunch. All dowsing tools will be available to borrow during the workshop and for purchase from Susan.
